Dear 2020 Century Club Member:

Thank you for your support of the Darke County Republican Century Club last year! This was a new endeavor for our local Party, and your willingness to financially support our local candidates, county mobile headquarters, grassroots campaign efforts, and so much more, is greatly appreciated.

With YOUR support, the Party:

- Set up our mobile headquarters in downtown Greenville, partnered with businesses throughout the county, and attended various community events to sign up voters, sell GOP merchandise, and meet our great GOP voters;
- Signed up the most Trump supporters in the entire State of Ohio and won an autographed 3'x 5' Trump-Pence flag and private-label Trump gear;
- Distributed 2,500 Trump-Pence yard signs and hundreds of signs for our judicial, congressional, and state delegation candidates;
- Paid for radio advertisements, slate card mailings, and road-side Trump banners;
- Raised \$15,000 for our judicial candidates- both on the Supreme Court and an important appellate court seat;
- Hosted a Trump Parade with over 350 cars/units; and
- Most importantly, **raised both the percentage of total voters (77.5%) and the percentage of voters for President Trump (81%)**. This elevated Darke County into the top FIVE highest turn-out counties in the state.

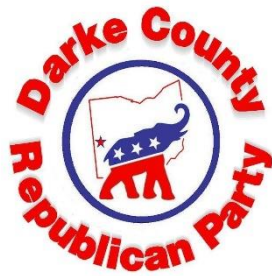

Despite all of this, the outcome remains something we are all still struggling to understand. However, we cannot lose faith or stop fighting for our country. The Party needs your support more than ever to remain robust and thriving.

We believe the Party can accomplish even more as we move forward and work to reinstate Republican values in upcoming elections with support from the 2021 Darke County Century Club. Your \$100 donation to the Darke County Republican Party will help support these efforts and ensure that STRONG, CONSERVATIVE voices are elected for our region, state and nation. Members of the Century Club will be invited to private events with elected officials and offered priority invitation to year-round programs.

Thank you in advance for your renewal to the Darke County Century Club and commitment to keeping Darke County rooted in pro-family, pro-business, and pro-America policies!

Thank you,

Katie DeLand, Chairman
Darke County Republican Party
