DCRW- Membership,

I hope all of you have had a good summer. When the fair comes and goes it pretty much means the end of summer to me, maybe it is the same for many of you. We have had some pretty nice fall weather the last few years so I am looking forward to many pretty fall days coming up.

Since we haven't had a Regular Meeting for two months we do have a lot of things to discuss and to make decisions on. Some of those things will be the following: We need to hear the final details from the Ways and Means Committee regarding the quarter auction, from the Project Committee in regard to the books being purchased for the schools. We also need to hear from the Social Committee regarding the possible winery party and maybe some ideas for a Christmas Party.

Also remember if you have done any volunteer work that can be counted for our Awards Project bring your information and give it to Jaime

A new idea to discuss will be a possible program on the differences between Electoral College and Popular Vote. We will also revisit the suggestion to join with Lighthouse Christian Center to co-host a speaker. We will discuss the possibility of "adopting a troop" by working with the VFW. We will discuss possible donations.

So hope you are planning on joining us on September 9th.

Respectfully,

Betty Hill, President
