DCRWC Members:

Members, we still don't have access to the Chestnut Village Center and I don't know about the number of people allowed in a group. If anyone knows of a suitable location for a Board meeting with maybe eight or a location for a Regular meeting with approximately 20 please let me know. I would sure like to get back on our regular schedule.

Also, please let me know if you would be interested in doing a virtual meeting using Zoom or similar programs. The NFRW, OFRW and other Ohio clubs have been holding virtual meetings. I know nothing about that but we do have members who could set it up for us and explain how it is done.

Respectfully,

Betty Hill, President
