

May 2020

The May 11th
Regular Monthly Meeting
has been cancelled

Stay tuned for news
as it develops

DCRWC Members:

Another month has come and gone, like me you have probably stayed close to your homes. I hope all of you have avoided the Corona Virus.

Just checked with the BRC and was told they are not opening Chestnut Center until the end of May. Even then it will still depend on the requirements set by Governor DeWine. So there will not be a business meeting or a board meeting until further notice.

Stay healthy.

Respectfully,

Betty Hill, President
