Dear Members —

Don't give up! If you did not have a chance to read last month's newsletter, please go back and read it, and again, and again if need be. Our country seems to be spiraling and I am just going to echo last month's sentiment. DON'T GIVE UP! We do not get to hear about the positives in today's mainstream media but know that groups and individuals across this Great Nation are making a difference in the fight to maintain our freedoms and making the Constitution relevant again.

I hope that our community will continue to drive forward and not give up. If you have any questions or concerns my "door" is always open.

Remember this from 1 Timothy:

*"For God has not given us the spirit of fear, but rather power, love, and a sound mind."*  
Stay true to yourself.

Blessings,  
Jaime LeVeck, President
