*Greetings all,*

*Hope everyone has been enjoying their summer. As I write this I am working a gate at the Great Darke County Fair and I have seen many examples of honest and upstanding citizens of all nationalities come thru this gate. People watching this evening reminds me that we need to not be jaded about our fellow man but rather be welcoming. Just as Lady Liberty has always shined her light to the nation and welcomed immigrants from afar, we must welcome each other into our communities and world. A smile goes a long way and speaks positivity no matter what language you speak.*

*We have had great turn outs for our educational forums and I hope that momentum continues. Let us not just educate though and then sit on the sidelines but let us be vigilante and fight for the just causes and see them thru until the end. Help each other, be encouraging and remember the pen is mightier than the sword.*

*Lastly my "door" is always open. Stay strong, be happy, Shine your lights and let freedom ring!*

*Blessings,  
Jaime LeVeck, President
